

# PowerWave

The PowerWave 301 three-person spa is perfect for those looking for a lot of power but don't have a lot of space. The white acrylic shell is formed into a space-saving triangle design, allowing you to place it on your deck without taking up all of the room. Its 30 jets are powered by a 4.0 HP pump. (220V dedicated connection required). At just 29" high, it can fit almost anywhere.
