

# PowerWave

The PowerWave 320 three-person spa is made from blue Quarite acrylic and includes a built-in lounge and 20 powerful jets positioned to work the tension out of tired muscles. This tub can plug right into the wall (110V, 15 amp) or can be converted to a 220 V dedicated connection. With a powerful 1.5 HP pump and a hard cover, this 32" high spa is perfect for people who want a big spa feel at a low price.
