

# PowerWave

Looking to add more excitement into your life? The PowerWave 635 has that little kick that makes it all more enjoyable. This 6-person hot tub is made from a quality Quarite acrylic shell with a built-in lounge, and has 41 jets powered by two 4.0 HP pumps along with a multi-color spa light. It also has the Aqua Sonic Sound System which features a JBL CD/AM/FM stereo with internal transducers and a subwoofer transforming the shell of your spa into a giant speaker. It is an experience that you have to feel to believe.
