

PowerWave

The PowerWave 740 7-person hot tub features a shell made from our premium Blue Mineralite acrylic and features a full-size built-in lounge. Its 51 jets are accented in stainless steel and powered by, 9.0 HP system. In addition to the multi-color mood light, the PowerWave 740 also has a factory installed ozonators to help reduce the amount of chemicals needed to keep your hot tub in perfect condition making owning a spa even easier.
